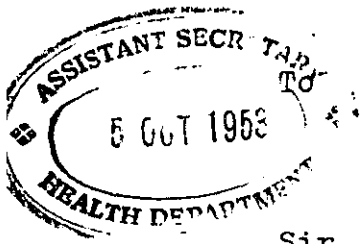
## [Despatch Abstract.]

MEDICAL INSTITUTIONS - SOUTH KANARA DISTRICT - GOVERNMENT HOSPITAL, KASARAGOD - INCREASE IN BED STRENGTH AND EMPLOYMENT OF ADDITIONAL STAFF - ORDERS PASSED.

MEDICAL DEPARTMENT.
***

From

Lt.Col. Sangham Lal, MBBS.,FRCS.,DOMS.,
Director of Medical Services, Madras-6.



The Secretary to Government, Health Department, Madras.

Ref.89324-G1/53 dated 3 -10-1953.

Sir,

53647

Sub:- Medical Institutions - South Kanara District - Government Hospital, Kasargod - Increase of bed strength and employment of additional sanction staff - requested.

B/P 13 cf Ref:- Government Memo.No.2649-H/53-1-Health dt. 13-8-1953.

B/1 cf With reference to Government Memo. cited, I request that the proposal contained in my letter 92131-G1/52 dated 29-9-52 for the increase of the bed strength and employment of additional staff in the Government Hospital, Kasargod may kindly be taken up for consideration as a Part II Scheme for 1954-55.

B/11-12 cf As the Government have in their order No.2520 Health dated 4-7-1953 sanctioned the employment of 2 additional staff nurses for the Hospital, I request that this item may be deleted from the main proposal now renewed for sanction.

Yours faithfully,

K. Venkatarao Ayy
Dy. D.M.S.
for Director of Medical Services.

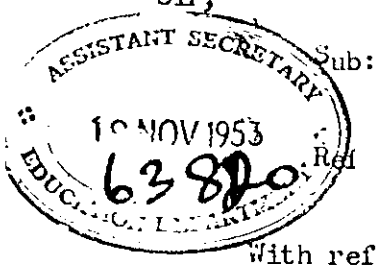
* Ref.89324-E3/53 dated 18-11-1953

Sir,



Sub: Medical Institutions - South Kanara District - Government Hospital, Kasargod - Increase of bed strength and employment of additional staff - Government Memo.No.53647-H.II/53-1 Health dated 2-11-53

---

With reference to Government Memo. cited, I have to state that the sanctioned bed strength of the Government Hospital, Kazargod is 26 while the average number of in-patients in the Hospital for 1952 was 64. With the present bed strength of 26, the existing staff is unable to render adequate service more particularly when the actual in-patient attendance is more than twice the sanctioned bed strength. Hence proposals for the increase of bed strength from 26 to 34 and employment of additional staff were submitted to Government in this office letter 92131-G1/52 dated 29-9-52 but the Government in their order No.252 Health dated 21-4-53 deferred the proposal for consideration in connection with the final budget for 1953-54 and subsequently in their memo.No.42649-H/53-1 Health dated 13-8-53 ordered that the proposal might be renewed for consideration as a Part II Scheme for 1954-55. Hence with reference to the above Government Memo. the proposal has been renewed in my letter Ref.No.89324-G1/53 dated 3-10-1953.

The proposal cannot be strictly considered as so essential with reference to the instructions contained in para 3 of G.O.No.1340 Finance dated 12-10-53. However, in view of the actual in-patient attendance, the increase of bed strength of the hospital and employment of additional staff asked for is quite necessary to carry on the administration with a reasonable degree of efficiency. I therefore request that the Government may be pleased to consider the proposal as a Part II Scheme for 1954-55.

Yours faithfully,

For Director of Medical Services

Part I

HELA (H II)

CM: 53647/53 — Proposal for the increase of bed strength and employment of addl. staff — Govt. Hospital, Kasargod —

Reference: DHS No. 89326 E3 dt. 3.X.53 & 18.11.53

The DHS submitted in Sept. '52 proposals for the increase of bed strength of Govt. Hospital, Kasargod, S. Kanara from 26 to 34 and for the employment of addl. staff of 2 nurses, 1 L.D. Clerk, 1 compounder, 1 nursing orderly and 1 sweeper. The proposal, though treated as a Part II scheme for 1953-54, was dropped. Sanction was accorded for the employment of 2 addl. nurses in the hospital. The DHS has renewed his proposal for the increase of bed strength of the hospital and employment of addl. staff of 1 L.D. Clerk, 1 compounder, 1 Nursing orderly & 1 sweeper. He has stated that though his proposal cannot be strictly considered essential, it is urgently necessary to carry on the administration of the hospital with a reasonable degree of efficiency. The extra cost to Govt. will be about Rs. 3234/- p.a. recurring.

It is for orders whether his proposal may be treated as a Part II Scheme for 1954-55.

The remarks of Finance dept. may be invited thereon.

HELA dept No. M. 53647/HII — 24.11.53

Fin (Hpt)

## Part II Scheme for 1954-55

Proposals for increasing the bedstrength of the Govt. Hospital, Kasaragod in South Kanara dist. from 26 to 34 and the consequent employment of addl. staff were considered as a part II scheme for 1953-54 and ordered to be deferred subsequently vide Hp 7-8 cf 3b <A.onp3 7/9 (B) (B) Govt. No. 2512 Health dated 4.7.53. two posts of nurses were sanctioned for this hospital among other hospitals. copy at Hp 11-12 of 9 (B). of

In accordance with the instructions vide memo. no. 42649-H/53. Health dated 13.8.53, the DMS. has now renewed the proposal for consideration as a part II Scheme for 1954-55. The DMS. was asked to examine the proposal in the light of the instructions vide Govt. No. 13140 Fin. dated 12.X.53. for being considered as a part II Scheme for 1954-55. The DMS, while holding that the present proposal cannot be considered as so essential with refce. to the above orders, has pointed out that in view of the actual in-patient attendance, the proposals are necessary to carry on the administration with a reasonable degree of efficiency. p13 cf 9 (B) p1 cf p3 cf (U) p5 cf

The proposal as now submitted by DMS. (and supported by HELA) involves the employment of an addl. staff of one lower division clerk, one Compounder, one nursing orderly and an addl. toti, and the entire cost in the proposal works p1 above -Y- 3rd p1 above

#2

pensel scheme as pb cf
out to Rs. 3,100 roundly

p5 cf

The following remarks are called for in this deptt.

As observed by D.M.S. himself, the proposal cannot be considered to be essentially imperative to being considered as a part of scheme for 1954-55. Having due regard however to the position stated by D.M.S. at A. on p. 5 cf. the deptt. may perhaps concede the need for increasing the bedstrength. With the increase in bedstrength it seems sufficient if one Lower Division Clerk and an addl. post are sanctioned for the present.

X

57.5
2M.0
13.0
17.5
18.0
1-0-0

If the suggestion of the deptt at X above is agreeable to H.E.L.A., it does not seem necessary to treat the proposal as a part of scheme as the extra cost of staff as modified by the deptt. will come to Rs. 1,600 roundly p.a. and it seems sufficient if orders are issued straightaway sanctioning the increase in bed-strength and an addl. staff of one Lower Division Clerk and a post of peon may be sanctioned for a period of one year in the first instance from 1.4.54 and the increase in bedstrength may also be given effect to from 1.6.54.

H.E.L.A. will no doubt consider the above suggestions and take action accordingly. M(F&E) may also see.
